

**BART Agreement Number: 6M8124**  
**Work Plan No. A.04 - Iron Horse Trail Final Design**

**Approval Date: 11/30/17**

**Scope:**

The Scope of Services is to participate in community outreach and reviews of the preliminary (35%) design, and to finalize the design and prepare contract documents construction of the portion of IHT between Owens Drive in Pleasanton and the Demarcus Boulevard intersection along the BART access road in the City of Dublin. The project segment in question includes a two-way cycle track from the Demarcus Boulevard intersection, continuing under the I-580 freeway near the access to the Dublin/Pleasanton Station entrance and south through the BART parking lot located on the Pleasanton side of the station.
