

BART Agreement Number: 6M8177

Approval Date: 12/21/21

Work Plan No. B.06-01 – CBTC Industry Expert

Scope:

Provide one (1) recognized industry expert. The District and Contractor representatives as the Project Executive Oversight Board shall be senior executives or managers with the qualifications and experience to positively oversee and guide the CBTC Contract. The recognized industry expert will be a CBTC professional who can provide an independent point of view on the state of the Contract and provide advice on any technical and / or management issues. Should any problems rise that require executive level intervention then the District's Representative and the Contractor's Project Director shall escalate the issue to the Project Executive Oversight Board which shall provide any and all direction for corrective actions.

Prime: PreScience
