## Construction Notification #75

*Intermittent Traffic Impacts on Warm Springs Blvd. near South Grimmer Blvd. to Continue Through 2015*

October 13, 2015

As part of the BART Warm Springs Extension (WSX) Project, intermittent traffic impacts and temporary lane closures on Warm Springs Boulevard, between South Grimmer Boulevard and Reliance Way, will continue through the end of year.

The work will include, but is not limited to:

- Landscaping, striping, lights, signal, and bike lanes in impacted areas;
- Vehicle access will be temporarily impacted with intermittent narrowing of lanes, shifting of traffic, and detours; and
- Temporary sidewalk detours.

Please follow all posted detour signs and other notices regarding construction activities and safety information. We appreciate your continued patience during this work, and will attempt to minimize construction-related noise, dust and inconvenience (*see diagram of affected area on the reverse side*).

#### City of Fremont Construction Work:

**Please note**, construction on Warm Springs Boulevard, south of Reliance Way, and on Warm Springs Court is part of the City of Fremont's work to improve access on local area roadways. For questions regarding these activities, please contact **Frans van der Meer, Associate Transportation Engineer, City of Fremont at (510) 494-4796.**
