Construction Notification #78

Fremont Station Reserved Parking Lot Closed Temporarily for Striping and Numbering on Saturday 11/21

November 12, 2015

As part of the BART Warm Springs Extension (WSX) Project, construction crews will be doing work for one day to restripe and number the southeast reserved parking area of the Fremont Station at Walnut Avenue. This work will happen Saturday, November 21st; and requires the temporary closure of the southeast Reserved Parking Lot located off Walnut Avenue. All other entrances and exits at the Fremont Station will remain open.

The 1-day closure work will include, but is not limited to:

- Painting new stripes and numbering for the parking stalls all Saturday;
- Long-term parking at this lot will not be possible on this Saturday; and
- Vehicles left in this lot will be towed at the owner's expense.

Please follow all posted detour signs and other notices regarding construction activities and safety information. There is a map on the back of the bulletin of the closed area.

We appreciate your continued patience during this work, and will attempt to minimize construction-related noise, dust and inconvenience.
