

BART Agreement Number: 6M8142

Approval Date: 05/10/21

Work Plan No. B21-01-Environmental Studies for Fence Replacement Locations

2.0 SCOPE

The scope of work is divided into two major tasks, as described below.

Task 1. Environmental Scan

Each of BART's fence replacement sites will be reviewed to assess their environmental sensitivity for archeological, biological, and visual resources and their potential exposure to hazardous materials sites. The environmental scan will use available database and archival searches, including: the California Historical Resources Information System at the Northwest Information Center,
