

BART Warm Springs Extension

Construction Notification #08

Dog Park & Basketball Court Entrance Detour to Begin February 26, 2010

Construction Details

Summary of Activity

A detour for access to the dog park and basketball courts will be in place during construction of the Fremont Central Park Subway.

Estimated Start Date

February 26, 2010

Estimated Duration

3 months

Impacts

- The dog park and basketball court parking lot will be closed to traffic effective February 26th.
- Detour signs will be posted indicating directions to the new parking lot and entrance to the dog park and basketball courts.
- Pedestrian access will be maintained from the east side of the park to the dog park and basketball courts via the softball field parking lot. Signage will be posted indicating the pathway to the dog park and basketball court entrance.
- Expect increased dust, noise and inconvenience from construction equipment.

February 24, 2010

Construction of the BART Fremont Central Park Subway through the softball field parking area will be ongoing this spring. To maintain pedestrian access to the 4-plex softball fields, dog park and basketball courts during construction, the work will be completed in phases.

Phase II: Detour to Dog Park and Basketball Courts Entrance & Parking Lot Effective Friday, February 26, 2010 the current dog park and basketball court parking lot will be closed. The dog park and basketball courts can be accessed by automobile from Stevenson Boulevard, near the animal shelter. Pedestrian access to the dog park and basketball courts from the east side of the park will be maintained using the softball field parking lot and access pathways.

Please see the map below for the detour to the dog park and basketball courts.
