

BART Warm Springs Extension

Construction Details

Summary of Activity

Construction of the Fremont Central Park Subway will begin on Stevenson Boulevard in mid-December 2009. Lane reductions will be in effect between Guardino Drive and Civic Center Drive for the duration of the work.

Estimated Start Date

Week of December 7, 2009

Estimated Duration

Phase 1 – December 2009 through Summer 2010

Phase 2 – Autumn 2010 through Spring 2011

Impacts

- Traffic will be reduced to one lane in each direction on Stevenson Blvd. between Guardino and just east of Civic Center Drive.
- Expect traffic delays and seek alternate routes if possible.
- Expect increased dust, noise and inconvenience from construction equipment.

Construction Notification #06

Fremont Central Park Subway Construction Work to Begin on Stevenson Boulevard

December 4, 2009

Construction of the Fremont Central Park Subway will begin in mid-December. This work will require two phases of lane reductions on Stevenson Boulevard between Guardino Drive and Civic Center Drive. Traffic will be reduced to one lane in each direction on Stevenson Boulevard as follows:

Phase 1 – One lane of traffic in each direction on the northern side of Stevenson Boulevard December 2009 through Summer 2010

Phase 2 – One lane of traffic in each direction on the southern side of Stevenson Boulevard Autumn 2010 through Spring 2011

Please see the reverse side of this notification for a map of the lane reductions.

The construction work will include:

- Removing the median between Guardino Drive and Civic Center Drive
- Repaving and striping Stevenson Boulevard
- Constructing the subway

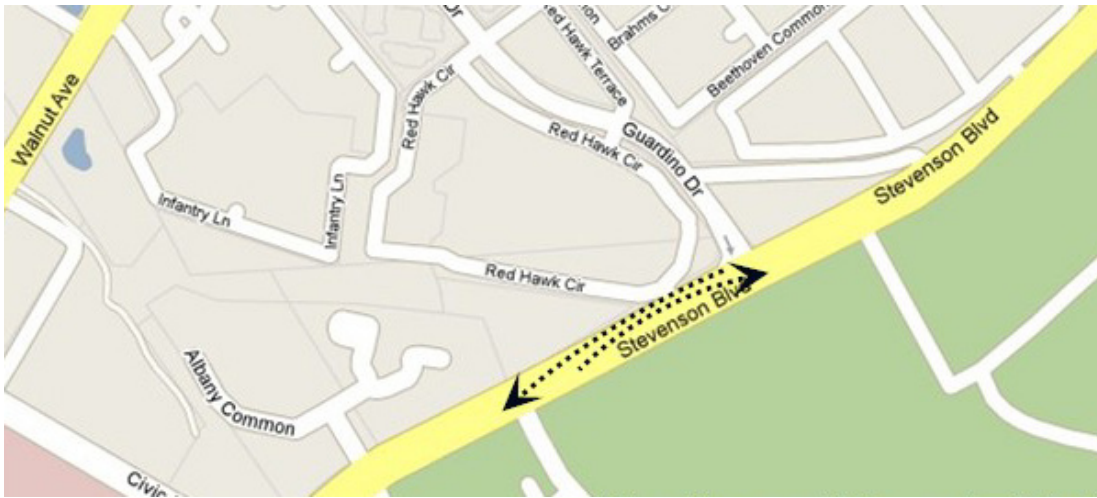

If you have questions regarding this activity, please contact our project information line at (510) 476-3900 or email bartwarmsspringsextension@bart.gov.
