

BART Warm Springs Extension

Construction Notification #59

Night Time Lane and Road Closures Planned on South Grimmer Blvd.

Construction Details

Summary of Activity

Installation of permanent guardrails across for BART's South Grimmer Trackway Bridge

Estimated Start Date

Monday, July 7 through Friday, July 11, 2014

Estimated Duration

5 consecutive nights

Impacts

- Intermittent lane closures and road closures
- Traffic delays
- Increased dust and noise.

General Work Hours

10:00 p.m. to 5:00 a.m.

July 2, 2014

As part of the BART Warm Springs Extension Project, night time closures will be required over five consecutive nights on South Grimmer Blvd. between Warm Springs Blvd. and Lopes Ct. Closures will begin at approximately 10:00 pm on Monday, July 7 until 5:00 a.m. and continue for five nights. These temporary closures are needed to construct the permanent guardrails across the trackway overpass on South Grimmer Boulevard. See the exhibit on the back of this page for a map of the impacted area.

The work will include, but is not limited to:

- Installing changeable message signs.
- Temporary lane closures and intermittent road closures on South Grimmer Blvd.
- South Grimmer Trackway Bridge guardrail installation
- Removal of signs and traffic control, as well as road clean up.

Please follow all posted detour signs and other notices regarding construction activities and safety information. We appreciate your continued patience during construction. If you have questions regarding these activities, please contact our office at (510) 413-2060 or e-mail bartwarmsspringsextension@bart.gov.
