

BART's Veterans Preference Policy

I. General

The District supports the employment of individuals who have served the country as members of the United States armed forces. Accordingly, it is the policy of the District to provide preference in hiring eligible veterans as described below. This preference shall apply only to those positions that are open to candidates who are not already employed by the District. Such preference shall not supersede the provisions of the District's collective bargaining agreements. Veterans' preference does not guarantee that any individual veteran will be hired. The preference does not apply to internal agency recruitment activity including promotions, transfers, reassignments and reinstatements.

II. Eligibility

An individual may establish eligibility for the District's Veterans' preference by providing proof of service in an active (non-reserve) status for a period of at least 181 consecutive days, and release from active duty under conditions other than dishonorable. Such eligibility must be established, as specified herein, at the time the individual files his or her application for employment with the District.
