

Your Rights under Title VI of the Civil Rights Act of 1964

Title VI of the Civil Rights Act of 1964 requires that no person in the United States on the ground of race, color or national origin be excluded from, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. Presidential Executive Order 12898 addresses environmental justice in minority and low-income populations. Presidential Executive Order 13166 addresses services to those individuals with limited English proficiency.

Any person who believes that they have been excluded from or denied the benefits of the San Francisco Bay Area Rapid Transit District (BART)'s service or programs, or been subjected to discrimination on the basis of race, color or national origin may file a written complaint with the BART's Office of Civil Rights. Federal and State law requires complaints be filed within one-hundred eighty (180) calendar days of the last alleged incident.

To request additional information on BART's non-discrimination obligations or to file a Title VI Complaint, please submit your request to:
