Approval Date: 07/18/23

Work Plan No. A.03-03 Construction Support Services for North Berkeley Access Improvements - Amendment 2

Scope:

This work will consist of management and implementation of bicycle and pedestrian access improvements at North Berkeley Station to advance the 2016 Station Access goals and target. For reducing congestion in the Ohlone Greenway, improve pedestrian safety and security and minimize cost and maximize benefit considering upcoming Transit-oriented development. This work will be performed by a combination of in-house forces and Contractor.

Project scopes included but not limited to the following:

- New two-way cycle tracks.
- New speed table and raised crosswalks.
- Modifications to curb ramps and crosswalks.
- New crash rated bollards in front of the station.
- New standard bollards.
- New ADA-accessible passenger loading zone.
- Widening section of Ohlone Greenway for separation between a two-way cycle track and a pedestrian-only path.
- New electronic bike lockers.
- Hydrant relocation.
- Landscaping, irrigation, and storm water improvements.
- New emergency phones.
- New midblock bulbout and raised crosswalk on Delaware St.
- New midblock bulbout on Sacramento St.
- New wayfinding signage.
- New pedestrian-scale lighting.
